# The Power of the Mission

The mission of St. Joseph the Worker is to connect the Valley's disadvantaged, homeless, and transitioning individuals to quality jobs. We do this by providing support, resources, and tools necessary for becoming employable. St. Joseph the Worker hopes that by creating this connection, they will become independent and lead healthier lives that benefit our community and families.

At St. Joseph the Worker we believe in giving our clients a hand up, not a hand-out.
