**Please share a story related to a veteran that attended the event and had a positive outcome**

We were so very proud to bring a Veterans Stand Down to Williams Arizona – the first Matthew J. Broehm Memorial Williams Stand Down was organized and managed by the High Country Stand Down (Flagstaff, AZ) in cooperation with Rodger Ely representing American Legion “Cordova” Post 13, VFW Post 12128. Williams Veterans were extremely grateful and sincerely expressed their appreciation.

The premier Matthew J. Broehm Memorial Williams Stand Down dedication was exceptionally well done with the “Marine Corps Mounted Color Guard” present to render “Honors” in deep respect to the Broehm Family and the Community of Williams.

The Williams Stand Down provided veterans outreach in the region including Valle, Tusayan, Grand Canyon Village, Ash Fork, Seligman, Paulden and Williams, AZ.

Several Veterans individually expressed their appreciation for this event and a distinguished elderly Veteran stated “this was the first time that Veterans in Williams were significantly afforded access to so many helpful programs”...
